

Dear patient:

Welcome to Dr. Ghalambor's practice and thank you for allowing us to care for you. At the time of your initial visit, and follow up visits, you may be seen either by Dr. Ghalambor or his Physician Assistant Onil Vallecillo. At any time, if you wish to switch practitioners, please inform his office and they will assist you in doing so.

If you have any questions or concerns, please let me either practitioner or staff know.
